Scott's Emulsion brings

All life is sunshine. The
sun pouring its rays into the

Sunshine stored up in the

The animal changes plant

changes the stored up sun-

Fat contains more stored

D. E. O'KEEFE.....EDITOR AND PROPRIETOR

REPUBLICAN TICKET.

FOR PRESIDENT
 THEODORE ROOSEVELT
 of New York.

FOR VICE-PRESIDENT
 C. W. FAIRBANKS
 of Indiana.

For Congress—Fifth District:
 E. A. HAYES.
 For Joint Senator:
 S. H. RAMBO.
 For Assemblyman:
 R. H. JURY.

For Supervisors—
 First District—Julius Eikerenkotter.
 Third District—John MacBain.
 Fourth District—Antone Joseph.

MacBain for Supervisor.

Jury for the Assembly is heard on all sides.

The Coast will honor itself by honoring Antone Joseph.

You voted for prosperity and got it; will you now vote against it?

There's nothing to it, Julius Eikerenkotter will win in a walk.

A vote for Rambo is a vote for some good Republican for the U. S. Senate.

John MacBain is making a hurricane campaign for Supervisor. He is a sure winner.

If Republicans only vote their ticket, our friends, the enemy, won't have a "look in."

E. A. Hayes is making a winning fight for Congress. He is making friends wherever he goes.

R. H. Jury is making a splendid canvass for the Assembly. He makes a good impression upon the voters.

Antone Joseph will win in the Fourth Township; it is simply a question of how large his majority will be.

Vote for your Republican Congressman so as to sustain the President in the policies for good government.

Republicans, make no mistake. Vote for Hayes, Rambo, Jury, MacBain, Eikerenkotter, and Joseph. Vote the ticket straight.

"The honor of the nation and the glory of the flag" are with Roosevelt's party something more than campaign catchwords; they are ideals.

Mr. Bryan is not going to campaign in New York. He has no desire to share the blame for the inevitable defeat of Judge Parker in that State.

The American people don't care for a candidate to be talking all the time, but they do want one who can say what needs to be said without being punched.

Julius Eikerenkotter has made the best Supervisor the First Township has ever had and the taxpayers of that district are going to retain him in office.

"Republicans are not responsible for good crops," shout the Democratic managers. But the farmers know that good prices and Republican administrations always go together.

THE INFIRM CANDIDATE'S LETTER OF ACCEPTANCE.

If President Roosevelt's formal letter of acceptance was a masterly example of downright honesty in stating principles, direct force in meeting issues and unhesitating candor in making definite and unescapable pledges, Mr. Parker, in his formal letter of acceptance, surpasses all the previous performances at dodging, twisting, squirming and backing and filling on the great questions which are before the American people.

When a policeman hears a girl scream after dark he doesn't know whether she's being kissed or assassinated.

RAMBO FOR SENATOR.

It behooves every Republican in San Mateo County to cast his ballot for S. H. Rambo for Senator. He is a candidate whom all can support. He is reliable, honest and above reproach. As a young man he fought for his country, thus proving his patriotism. The next Legislature is to elect a United States Senator, and therefore, it is the duty of every Republican to vote for Mr. Rambo, who if elected, will assist in electing some good Republican to go to Washington to assist the President in shaping the Republican policies.

R. H. JURY.

R. H. Jury, the Republican nominee for the Assembly, will carry with him to the Assembly the admirable business methods and watchful care he has bestowed on his own public and private callings. The best evidence a man can offer for the faithful fulfillment of an other office is the manner in which he fulfilled the duties of the last one, and as clerk of the City of San Mateo, he has been conscientious, careful and honest. He is known among the leading men of the State, and if elected would be in a position to do a great deal for San Mateo County. No Republican should hesitate to vote for Mr. Jury.

JOHN MACBAIN.

John MacBain is the Republican nominee for Supervisor of the Third Township. He has been a citizen and property-holder of San Mateo County for upwards of twenty-five years, and bears a first-class record as a man of genuine public spirit, integrity and high business as well as undimmed political principle. The man can always be trusted who speaks his ideas of public matters fearlessly and boldly; who has always the best interests of the taxpayer at heart, and is not slow to advocate the just equalization of taxation.

Mr. MacBain is a citizen of mature judgment, broad-gauged in his views of public improvements and a believer of good roads. If elected he will do all within his power with the funds that will be apportioned to his district to keep the highways in good repair and build new roads.

JULIUS EIKERENKOTTER.

Julius Eikerenkotter is receiving unstinted support in his candidacy for Supervisor in the First Township, and this is as it should be. During the four years he has been Supervisor he has built miles of new roads and made substantial improvements everywhere in the township. Mr. Eikerenkotter does not believe in patching roads and only making temporary repairs, but on the contrary, builds new roads that are permanent. He has been judicious in the expenditure of his funds and has done more in the way of permanent improvements than any of his predecessors. Mr. Eikerenkotter is an energetic, reliable man of brains, whom any workingman and taxpayer may support regardless of party affiliations. He has done a great deal for the First Township and the voters there are going to keep him in office. No better man could be found for the place.

ANTONE JOSEPH.

Undoubtedly the genuine good sense of the voters of the Fourth Township will roll up a big majority for Antone Joseph on November 8th. In all truth, honor and honesty, "Antone Joseph for Supervisor" is as it should be. This is

the age of progress and we want the right kind of men in office. Mr. Joseph is careful, discreet, judicious and progressive, and will make a capable member in our next Board of Supervisors. Mr. Joseph is a young man of intelligence and ambition and if elected, and he surely will be, he will work for the best interests of the Fourth Township where he has spent his whole life and where the people know his worth and standing.
